*Learning together; Achieving together.*

14<sup>th</sup> March 2025

Dear Waverton Families,

It was lovely to talk to lots of you at parents' evenings last night, I am sure you are all very proud of your children. Thank you for your continued support.

### Year 3 Roman Trip

As part of their work on the Romans, the year 3 class visited Roman sites around Chester this week. They loved marching like soldiers.

### Eid Festival - Friday 28th March

As part of our commitment to celebrating the cultures within our school community, we are delighted to support some of our children in celebrating Eid. To mark the occasion, they have chosen to raise money for charity through a non-uniform day (£1 per child brought in on the day).

In addition to these fundraising activities, children will have the opportunity to take part in craft activities in the afternoon. There will also be an option for children to have a stick-on tattoo as part of the celebration. If you do not wish for your child to have a stick-on tattoo, please let us know via email.

We look forward to a wonderful day of celebration and thank you for your support in making this a meaningful experience for the children.

## Competition

The school parliament judged the football boot design competition this week. There were 4 overall winners: Daniel Lindley, Scarlett McKnight, Freddie Okell and Olivia Barker. These designs have been entered into the PANINI competition. Good Luck!

## Homework

After gathering feedback from parents, engaging in discussions with children, and reviewing research, we have finalised our homework policy. Our primary aim is to support parents in helping their children consolidate and/or extend their learning beyond the classroom. Please find the attached policy for your reference.

Have a lovely weekend.

Mrs Cartwright
