Learning together; Achieving together.

9th May 2025

Dear Waverton Families,

As we move further into the term, it is lovely to be able to share news and updates from our school community. Thank you for your continued support in making Waverton Primary a wonderful place for our pupils to learn and grow.

Sports News

Some of our KS2 pupils recently participated in tennis and golf competitions! Their sportsmanship and dedication were commendable, and they represented Waverton Primary with great enthusiasm. Well done.

Assembly

A big thank you to Mr Hayes who talked to us in assembly this week about kidney research and the London Marathon.

Class News

Mrs Jones is very excited to be the Reception teacher in September 2025. Mrs Croft and Mrs Rushton are looking forward to teaching Year 1.

Parking

We kindly remind everyone to park safely around the school. Please ensure there is no parking on the zig zags or on the pavement. Your cooperation is essential for the safety of our pupils.

Uniform

As we approach the warmer months, please remember that all pupils should adhere to the school uniform policy. This includes wearing the correct uniform items and black footwear. Your cooperation helps maintain a sense of pride and unity within our school community.

School Lunches

In order to have the correct amount of food ready for lunch each day, the kitchen require a pre order of meals. Please ensure you have ordered lunches at home with your child.

SATs

Next week is SATs week for our Year 6 pupils. We are very proud of each and every one of them. This is an important time, and we know they have worked incredibly hard to reach this point. Remember, these tests are just one way to show what you have learned.

They are looking forward to Outdoor Learning; eating pizza and receiving their leavers hoodies on Friday.

Community News

Please see attached information local companies have asked us to share.

Chester Scouts Community Day

Chester Football Development

Year 5 King's School Activity Days

Waverton Rose/Queen/Attendants

Chester Tennis Club

Funded Short Course for Parents/Carers

Waverton Evangelical Summer Holiday Club

Daisy Beck Studios

We have been asked to share the following and attached information:

We're delighted to have been commissioned to make series two and three of Animal Care Club for Milkshake! on Channel 5. Each episode will be around 11 minutes long, and will feature four children (working in pairs) looking after animals of all shapes and sizes! We'll be featuring farm animals, zoo animals, pets and wildlife in the series and at every opportunity children will be getting involved with animal care. It'll be a really fun, educational series and will be a fantastic experience for the children taking part.

*We are currently looking at filming in a few locations that are near to you so I thought I would get in touch to see if it might be something the children in your school might be interested in. Age wise, we're looking for **7-8-year-olds** and a mix of boys/girls .*
