

chester badger unit

meeting day - every Thursday during term time

times - 5:30 pm to 6:30pm

# At Badgers, it's all about having fun, learning new skills and making friends.

Our Badger programme gives children aged 5 to 10 the chance to learn first aid, play games and develop a wide range of skills, in a safe and supportive environment.

With a wide range of subjects and awards to complete, we are looking for new Badgers to join our Sett!
